

HANNA HIPPO'S ACTIVITIES

THE MUFFIN GAME

- Print page 4. Each of the 8 muffin pictures has a letter written on it. Color the consonant **h** green. Color the vowels **a, i, o** red. Color the consonants **d, m, p, t** black. Put down the **h** muffin first, followed by the **a** muffin and one of the **black consonants**. Sound out the word you have made. Is it a real word? Replace the **black consonant** with each of the others in turn. Sound out each word you make.
- Change the **red vowel** from **a** to **i**. Again put down each of the **black consonants** after the vowel. Sound out the words you make.
- Now change the **red vowel** to **o** and make words.

JUST FOR FUN!

What is your favorite word that you made? Can you make it again?

HANNA HIPPO'S HOKEY POKEY GAME

 Listen to the words on page 13 of *Hanna Hippo's Horrible Hiccups* being read again. Every time you hear a word beginning with the h sound, do the next action for the Hokey Pokey.

-  Sit on a chair while you do the first five actions:
-  When you hear the 1st **h**, you put your left hand in.
-  When you hear the 2nd **h**, you put your right hand in.
-  When you hear the 3rd **h**, you put your left foot in.
-  When you hear the 4th **h**, you put your right foot in.
-  When you hear the 5th **h**, you put your head right in.
-  When you hear the 6th **h**, stand up and turn yourself around!
-  When you hear the 7th **h**, sit down again!!!

 Now have fun singing and dancing the *Hokey Pokey*!

*You put your left hand in,
You put your left hand out.
You put your right hand in,
And you shake it all about.*

*You do the hokey pokey
and you turn yourself around.
That's what it's all about! Hey!*
