## DINNERTIME WITH OTTO AND OPAL!

-  Print page 2 with the pictures of **O**tto and **O**pal. Color the pictures if you like.
-  Print page 3 with the “picture fish” cards. Cut the cards apart. Some fish have pictures of words that contain the **short o** sound at the beginning of **O**tto. Other fish have pictures of words that contain the **long o** sound at the beginning of **O**pal.

Now it's time to feed Otto and Opal their dinner!

-  Pick up each fish, one at a time, and say the name of the picture on the fish. If the word contains a **short o** sound, give the fish to **O**tto. If it contains a **long o** sound, give it to **O**pal.

How many fish did you feed Otto for dinner? How many did you feed Opal? Now, put on your thinking cap. How many fish were there all together?

## PLAY BALL WITH OTTO AND OPAL!

- Write OTTO on a sheet of paper and pin it to the front of one person's shirt.
- Write OPAL on another sheet of paper and pin it to the front of a second person's shirt.
- Give a NERF™ ball to a "pitcher," who stands 3 paces in front of Otto and Opal.

Now it's time to play ball!

Listen carefully while someone reads a word from the word bank below.

- If the word contains a **short o** like the sound at the beginning of **Otto**, the pitcher throws the ball to Otto!
- If the word contains a **long o** like the sound at the beginning of **Opal**, the pitcher throws the ball to Opal!

(NOTE: Otto and Opal should say either "RIGHT!" or "TRY AGAIN!" when they catch the ball. Then they should throw it back to the pitcher.)

**Bonus:** After going through the word bank once, change roles and play again!
